Dear Dr. Stevens:

While processing your Freedom of Information Act (FOIA) request dated November 8, 2012, for records regarding the Executive Office for Immigration Review's effort to implement the goal of completing 85% of all detained cases within sixty days, the Executive Office for Immigration Review (EOIR) referred twenty-five pages to this Office for processing and direct response to you. EOIR's administrative tracking number for this request is EOIR FOIA 2013-2938. For your information, these documents were received in this Office on March 31, 2015. This response is made on behalf of the Office of the Deputy Attorney General.

Because the referred records that this Office is processing contains information of interest to another agency, we can respond only after consulting with that agency regarding its information. See 28 C.F.R. § 16.4(c)(1) (2014). As soon as our consultation is complete and our disclosure determinations are made, we will write to you again.

Department of Justice regulations permit us to provide you with 100 pages of records per component without incurring duplication charges. See id. § 16.11 (d) (2014). Because EOIR forwarded fewer than 100 pages for processing and direct response to you, you will not incur any fees for the processing of this referral.

If you have any questions regarding the processing of the referred documents, you may contact me by telephone at the above number or you may write to me at Office of Information Policy, United States Department of Justice, Suite 11050, 1425 New York Avenue, NW, Washington DC 20530-0001. Lastly, you may contact our FOIA Public Liaison at the telephone number listed above to discuss any aspect of your request.

Sincerely,
